

Transforming Technology Enhanced Learning Conference

Friday 17th June
9:15am - 16:00pm

Following the success of last year's TTEL conference, the University is again offering the chance to promote and share good practice in Technology Enhanced Learning.

The day will focus on the four themes identified by the TTEL group as core areas for development at Exeter: Staff and Student Engagement, Assessment, and Innovation. The day is sponsored by Turning Technologies and features keynotes by external speakers from Turning Technologies, Apple and Labster.
